## Non-CE Symposia

Supporters can develop and provide a 60-minute promotional or educational program in accordance with their own guidelines. These activities do not compete with continuing education programs, allowing you to present your product as a workshop or host a special activity to present branded or non-branded information to attendees.

## Ancillary Meeting

To hold an ancillary meeting at the Annual Meeting, see the Ancillary Meeting Guidelines and Room Request Form at [itns.org/exhibitor](https://itns.org/exhibitor) for complete information. Ancillary meetings may not take place Thursday through Sunday without prior approval by ITNS. There may be restrictions on available hours. No outside events can be held at or in conjunction with the ITNS Annual Meeting without review and approval by ITNS. There is a \$2,500 nonrefundable fee to hold a meeting. All other associated expenses are your responsibility.

## Industry Relations Council

Join the ITNS Industry Relations Council (IRC) program for benefits that greatly enhance your organization's opportunity to engage with ITNS leaders in the study of neuroscience. This is a prime opportunity to reach more than 1,200 ITNS members throughout the year. Receive recognition throughout the year along with many benefits. For more information and a list of benefits, please visit [itns.org/IRC](https://itns.org/IRC) for details.

Contact Mary Paulson, at **+1 847.375.4803** or [mpaulson@itns.org](mailto:mpaulson@itns.org) to discuss support opportunities and to design a support package that fits your needs.

## REACH

more than 350 transplant nursing leaders interested in learning about new research and improvements in patient care for transplant recipients and donors.

## NETWORK

with attendees who work in community hospitals, university health centers, academia, government, organ procurement, and the military.

## ENHANCE

our visibility within the growing medical field of transplantation.
