Become an ITNS Supporter

Becoming a supporter is an excellent way to drive traffic to your booth or event and position your company as an industry leader. Give your organization valuable insight into the challenges and needs of transplant nursing and the implications of these solutions for both patient care and the industries related to this specialized field.

You can reach this key audience through both educational and promotional support.

Commercial Support

Supporter levels are Platinum $50,000 USD, Gold $25,000 USD, Silver $15,000 USD, Bronze $10,000 USD, and Partner $5,000 USD. Benefits are listed in the support tier structure.

### Non-CE Symposia

Supporters can develop and provide a 60-minute promotional or educational program in accordance with their own guidelines. These activities do not compete with continuing education programs, allowing you to present your product as a workshop or host a special activity to present branded or non-branded information to attendees.

### Ancillary Meeting

To hold an ancillary meeting at the symposium, see the Ancillary Meeting Guidelines and Room Request Form at [itns.org/exhibitor](http://itns.org/exhibitor) for complete information. Ancillary meetings may not take place Wednesday through Sunday without prior approval by ITNS. There may be restrictions on available hours. No outside events can be held at or in conjunction with the Annual ITNS Symposium without review and approval by ITNS. There is a $2,500 nonrefundable fee to hold a meeting. All other associated expenses are your responsibility.

### Industry Relations Council

Join the ITNS Industry Relations Council (IRC) program for benefits that greatly enhance your organization’s opportunity to engage with ITNS leaders in the study of neuroscience. This is a prime opportunity to reach more than 1,200 ITNS members throughout the year. Receive recognition throughout the year along with many benefits. For more information and a list of benefits, please visit [itns.org/IRC](http://itns.org/IRC) for details.
